

# Introducing... VALUE CRAFT

by VISIONS / AWARD CRAFT

We Are Motivating Excellence

*ValueCraft is a line whose time has come. This exciting new award collection brings together all the best designs... but at an amazing affordable price. Now there is no reason to sacrifice high styling and quality in order to meet a demanding budget.*

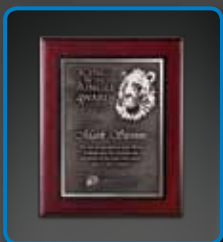

*The ValueCraft collection utilizes a myriad of quality materials and highly skilled craftsmen to create awards with a high perceived value without the high price tag that usually accompanies such works of art. Whether your tastes favor traditional styling or slant toward sleek and contemporary, ValueCraft provides a solution certain to impress the fortunate recipient without depressing your finances.*

*Because ValueCraft is part of the Visions Awards and AwardCraft family, you know the collection is designed by the top stylists in the industry, manufactured to exacting specifications and backed by the award-winning customer support on which you can always rely.*

*Get the looks, the quality, and the support you want at prices that make you smile.*
